## Facilities

*The Landing Dance Centre* is proud to offer the use of our modern, inviting facilities for individual or group use.

We feature **six** of the largest (1150, 920, and 805 sq. ft.) studios in the city which are currently available for rental purposes.

All studios are heated, open and very well lit; the high ceilings, Harlequin sprung wood dance floors and incredible acoustics promise to make our studios your new favourite rehearsal space.

### Fosse Studio

*The Landing Dance Centre* is committed to facilitating the creation of dance; as a result, the rental rates we offer function on a sliding scale. Taking into consideration the artist's budget and what the space is being used for, we can work together to find a rate that will most benefit both parties. If you would like to use the space on an ongoing basis we can set up a payment plan to fit your needs. If you are using the space for an upcoming project or performance, please look into our Residency Programs for professional dance artists and companies.

Please contact us to discuss your desired dates and times.

## Scheduling

Please submit your request at least 2 business days before the desired date. Scheduling is managed on a first-come first-served basis. Payment will be expected before entering the studio upon the first scheduled day.

Please email the office to book a time to rent a studio. Within your email please provide the following:

- Your Full Name
- Phone Number
- Preferred date and times
- Alternate Date and Times
- How many people will be using the space

We will get back to you as soon as possible.

The Landing Dance Centre  
270 SW Marine Drive  
(Between Yukon and Manitoba)
